Hey Little Jermyn
Hey Little Jermyn

You're feeling like you took a fall
Never have no luck at all
You just waitin' for the call
Nothing is happenin' coz your five feet tall

Hey Little Jermyn
Hey Little Jermyn

You went to school
Too short to teach
You can't play the games with the girls on the beach
Your limited capacities affected your speech
It feels like everything is out of reach

Hey Little Jermyn
Hey Little Jermyn

Your trials and tribulations are nothing new
People criticising all the things that you do
They may try but they haven't a clue~
Feels like they're lookin' down on you

Hey Little Jermyn
Hey Little Jermyn

Deadly Daddy

Lyrics © Russell Wilkins, Music © Lord Rochester. All Rights Reserved.

Every day I'm working
Trying to break my back
I come home in the evening and
I get a heart attack.

I'm a Deadly Deadly Daddy
I'm a Deadly Deadly Daddy
I'm a Deadly Deadly Daddy
And I won't be round so long

Went to see the doctor
Could not pay the bill
Doctor would not tell me
Was I sick or was I ill.

I'm a Deadly Deadly Daddy
I'm a Deadly Deadly Daddy
I'm a Deadly Deadly Daddy
And I won't be round so long

If you never see me
Don't you be surprised
Coz just like I told you
Your deadly daddy died

I'm a Deadly Deadly Daddy
I'm a Deadly Deadly Daddy
I'm a Deadly Deadly Daddy
And I won't be round so long
