**Deadly Daddy**

Lyrics © Russell Wilkins, Music © Lord Rochester. All Rights Reserved.

Every day I'm working  
Trying to break my back  
I come home in the evening and  
I get a heart attack.

I'm a Deadly Deadly Daddy  
I'm a Deadly Deadly Daddy  
I'm a Deadly Deadly Daddy  
And I won't be round so long

Went to see the doctor  
Could not pay the bill  
Doctor would not tell me  
Was I sick or was I ill.

I'm a Deadly Deadly Daddy  
I'm a Deadly Deadly Daddy  
I'm a Deadly Deadly Daddy  
And I won't be round so long

If you never see me  
Don't you be surprised  
Coz just like I told you  
Your deadly daddy died

I'm a Deadly Deadly Daddy  
I'm a Deadly Deadly Daddy  
I'm a Deadly Deadly Daddy  
And I won't be round so long

**Liza Jane**

Lyrics © Russell Wilkins, Music © Lord Rochester. All Rights Reserved.

Hello Liza Jane  
What's happening here  
What's all of that noise  
Yelling in my ear  
Got me running in circles  
We gotta get clear

Let go Liza Jane

I know you look surprised  
But that's all we got  
I should apologise  
Maybe you should too  
But your daddy is a coming  
And we gotta move

Let go Liza Jane

So come on Liza Jane  
You ain't got nothing to lose  
We'll be a sneaking out the back door  
But they got something to prove  
We'll have to leave your friends behind  
You know you gotta choose

Let go Liza Jane

**My Baby Won't Ride Beside Me**

Lyrics © Tim Matthew, Music © Lord Rochester. All Rights Reserved.

My baby won't ride beside me  
My baby won't ride beside me

2 litre 5 speed I'm alone in my front seat  
My baby won't ride beside me

She said you don't have no seat belt  
Safety first and second she said  
You don't even have a heater  
Now that's an essential feature

2 litre 5 speed I'm alone in my front seat  
My baby won't ride beside me

I got leopard skin a classy lining  
That won't even stop her whining  
Inside's a little bit dusty  
Outside beat up and rusty

2 litre 5 speed I'm alone in my front seat  
My baby won't ride beside me

My baby won't ride beside me  
My baby won't ride beside me

2 litre 5 speed got everything that a pretty girl  
needs  
My baby won't ride beside me
