Hey-----  
You got to move aside when the galley  
come  
Hey----  
When you see the torches burning you  
better run

We're waiting for the Jarl Squad  
We're shaking with the dance band  
We're eating reestit mutton now  
And drinking Shetland rose by the  
Northern lights

We're gonna dance till breakfast  
Yeah we're maybe leaving feet first  
And now the room is full of Vikings  
You know it really makes my head spin

And now there's gonna be a burning  
And a little bit of blacking-up to my  
surprise  
Old men dressed up like schoolgirls  
Well it's the time of year when the sun  
don't rise

### **2020 Vision**

Lyrics © Saskia Holling & Russell Wilkins, Music © Lord Rochester. All Rights Reserved.

Well the futures looking bright though money  
will be tight  
But we knew this was coming so we're gonna be  
alright

Oh Yeah 20/20 vision come true  
I gotta 20/20 vision and I wanna do the monkey  
with you

Don't need no ministers a raining on a flame  
We make our own decisions so we've got  
ourselves to blame

Oh Yeah 20/20 vision come true  
I gotta 20/20 vision and I wanna do the monkey  
with you

The lights are going off the lights are going on  
We're standing in the mire but we're dancing all  
night long

Oh Yeah 20/20 vision come true  
I gotta 20/20 vision and I wanna do the monkey  
with you

There's static on the radio and nothing on the  
screen  
We dug out all our vinyl and we're gonna cause a  
scene

### **Papa Deadly**

Lyrics © Saskia Holling & Russell Wilkins, Music © Lord Rochester. All Rights Reserved.

They call him Papa Deadly as cute as any rattlesnake  
Papa Deadly Oh Papa Deadly  
He's got a whole lot of troubles packed up in a travelling  
case  
Papa Deadly Oh Papa Deadly  
As he steals up behind you you won't hear a sound he  
makes  
Even in midsummer you can feel your body shake

I said Hey - Ho - Stay - Go  
Papa Deadly Oh Papa Deadly Papa Deadly Oh Papa Deadly

Please now Papa Deadly please just hear the words I have to  
say

Papa Deadly Oh Papa Deadly  
Yes I took her to the legion and we danced until half past  
three  
Papa Deadly Oh Papa Deadly  
And then I walked her home and kissed her cheek  
I ain't the one no way sir not the father that you seek

I said Hey - Ho - Stay - Go  
Papa Deadly Oh Papa Deadly Papa Deadly Oh Papa Deadly

They say I'm Papa Deadly but good old Deadly Daddy that'll  
do  
Deadly Daddy Oh Deadly Deadly  
I'm a truth seeking preacher and I like to play a game or two  
Papa Deadly Oh Papa Deadly  
Yes boy if I like you I might really go to town  
I'll let you slip away just so I can hunt you down
